

I am sure that you
are receiving a
large volume of
email this morning
due to the upcoming
airing of Sinclair's
pseudo-documentary,
"Stolen
Honor." I fully
support and believe
in free speech.
However I am also
aware that there are
certain laws around
elections that
require equal
access to the
airwaves. I am
shocked by
Sinclair's blatant
disregard
of these laws. I am
writing to express
my strong
disapproval and ask
you, as a citizen of
the public, to
protect out airwaves
from such and
unscrupulous company
that chooses to
abuse our trust in
letting them
use the airwaves.

Sinclair
Broadcasting is
touting this as news
while it clearly is
nothing short of
more smear tactics
as part of the
upcoming election.
It is the swift boat
ad repackaged and
lengthened.

I ask you as a
taxpayer and a voter
to please use your
authority to
enforce the law and
halt Sinclair from
Broadcasting this
pseudo-documentary
with a complete
disregard of the

public that they
are bound to serve.

Thank you,
